

Construction Work for the Week of 5/4/26

CR Construction has been trenching for services and completed two service connections on the south side of NE 37 Way. Next week the crew will finish prepping and installing new services in Timberline. The District will continue to notify affected homes in advance as the week progresses.

Two tie-ins will occur in Timberline next week. On Wednesday, May 6th, there will be a tie-in on 208 AVE NE & 37 Way NE. Crews will lay new pipe and connect to the existing main. Two customers will be impacted by this work and the scheduled shutdown will be between 8:00 AM and 5:00 PM. The other tie-in will be Thursday, May 7th, at the intersection of NE 37 Way & NE 37 Way (204 AVE NE). Thirty customers will be affected and the scheduled shutdown will be between 8:00 AM to 5:00 PM.

There also may be a small crew doing restoration work in Sahalee during the week.

Wednesday 5/6
